

2 arguing -- Calvin and his brother was arguing and he was
3 just on the side of the car and he would say something every
4 now and again. I only seen one of his hands, but when he
5 was running up to Calvin I didn't see none of his hands. He
6 had his hands, like -- I don't know if they was in his
7 jacket or pocket, but I didn't see his hands. I just seen
8 his arm come up and when his arm come up he got shot.

9 Q Did you see a weapon? A gun? A knife? A club?
10 Anything in that hand?

11 A I didn't see his hands.

12 Q I thought you said you saw his arm come up?

13 A Nah. It is, like, you got your arms inside of your
14 jacket. It's not in the pocket, but it's in the jacket.
15 And you could see his arm come up but I didn't see his hand.

Q Okay. So you saw a movement under the jacket?

17 A Yeah.

18 Q Did you see whether that movement was in the shape
19 of a weapon or was it just a hand movement?

A It was kind of like you pulling a gun out of your
21 jacket.

22 Q But you didn't know there was a gun?

23 A I didn't see a gun.

22 A Chris lunged at him, I guess, like to throw a punch
23 at him or to flinch at him, like make him think he was going
24 to throw a punch. Calvin jumped back and pulled the gun out
25 again.
