

17 Q When he does that the last time, how does Calvin
18 Davis respond to the fact that now Calvin -- excuse me. Let
19 me stop. The last time that Christopher Thomas made that
20 statement and closed the distance to Calvin, how did Calvin
21 respond to that?

22 A He jumped back and pulled a pistol out.

18 Q And when Christopher closed the distance towards
19 Calvin, what did Calvin do?

20 A He stood his ground at first.

21 Q And then?

22 A Chris lunged at him, I guess, like to throw a punch
23 at him or to flinch at him, like make him think he was going
24 to throw a punch. Calvin jumped back and pulled the gun out
25 again.

1 A Chris lunges forward; he jumps back. And he comes
2 out with the pistol and starts shooting.

3 Q As a matter of fact, you describe it as
4 Calvin jumped out like a startled person in a defensive mode.
5 Do you remember that?

6 A Yes, in a defensive mode.
